

District 7 2017-18 Alignment Committee Proposal

Committee:

PJ Kleffner, Chair

Dick Parsons – Southern Division A

Tim Lewis – Central Division B

Lyle Schellenberg – Capital Division C

David Johnson – Columbia Division D

Emilie Taylor – Willamette Division E

Paul Fanning – Downtown Division F

Patrick Locke – Northern Division G

Joe Anthony – Sunset Division H

Mary Chisholm – High Desert Division I

Phyllis Harmon – Advisor

Southern Division A – No changes recommended at this time.

Central Division B – There are seven clubs in A32 and Yaquina is isolated in A31, so we recommend aligning it with the clubs in A32 and splitting those eight clubs into A32 and A33. This will leave A31 with four clubs and A35 with five clubs.

Capital Division C – No changes recommended at this time.

Columbia Division D – No changes recommended at this time.

Willamette Division E – No changes recommended at this time.

Downtown Division F – No changes recommended at this time.

Northern Division G – No changes recommended at this time.

Sunset Division H – No changes recommended at this time.

High Desert Division I - No changes recommended at this time. However, Prime Time Club and Warner Mountain are struggling. If we lose either club, we lose the Area, which means we lose the Division. If that happens, here are a couple of possibilities:

If the priority is to save the Division, A51 will move to High Desert. A61 could move from Willamette Division to Columbia Division, so they would both have four Areas.

If we let the Division fold, what's left of A10 moves to Columbia Division, A11 moves to Central Division and A12 moves to Southern Division.
