

## Bio for Rudy Erbrich

### Toastmaster Bio:

I became a member of Gresham Toastmaster in May of 2012.

I became an officer in 2013, first as Treasurer, then president in July 2014.

I continued in several other roles between 2015 and 2018 (VP of PR, Education, Sergeant of Arms)

In July 2018 I became area director for area 53 in division D, district 7.

In addition, I was a member of the Silverton Toastmaster group in 2017 and 2018.

I participated and lead several club and area contests, and wrote an article about my home club in Voices (2018).

### Outside Toastmasters:

I am training new German linguists for my company in New York, but other than that have not had any leadership role.

I would like to expand my experience managing people and the division director is a great opportunity to learn and practice my leadership skills.
