Greetings, fellow Toastmasters!

Welcome to Part 2 of our two-part TLI series, Amp It Up. If you came to hear lessons in leadership from a world class Toastmasters leader and learn how to tell stories from a World Champion speaker, then you have come to the right place!

In this leadership training event you will have the special honor of learning high-level leadership and communication skills from our Region 1 Advisor, Cindy Laatsch, and our 2013 World Champion of Public Speaking, Pres Vasilev. You will also have the opportunity to earn Distinguished Club credit for your club by attending formal club officer training if you haven't done so already.

I'm amped to see the product of the work your Education and Training Coordinator, Leanna Lindquist, has done to provide this service to you, the members and officers of our District 7 Toastmasters Clubs. So plug in your coffeemaker, turn on your computer, and tune in to our TLI to amp yourself up for the year to come.

Eldred Brown, DTM
Program Quality Director, District 7 Toastmasters

9:05-10:05 am - Cindy Laatsch, DTM

Leadership – It's a Verb!

Action Steps for a Leader Head/Hands/Heart/Habits

In this interactive session we will look at how leadership is an action-oriented word and involves using your Head, Hands, Heart, and Habits - HHHH. Often taking that initial action can be our biggest step. We'll discuss how the tools we already have can propel us into further development as leaders. By trusting yourself, being brave, and understanding your strengths, we'll work collaboratively on how using HHHH will continue to move you along on your leadership journey. You will leave this session with a commitment you've made

to yourself, and one goal to allow you to stretch yourself both as a Toastmaster and a Leader.
