Still need more club coaches. New clubs chartered to date: Friday Night Fun Masters – 2/14/2021 and NWFSC Toastmasters – 1/31/2021. Soon to follow are North Eugene, PR Masters, and Sunset Talkers.

Program Quality Director – Eldred Brown, DTM (Addendum 1 – Page 61)

District 7 International Speech Contest will be held on May 15th.

Distinguished Club Recognition – 16 Clubs Distinguished or better so far; Pathways Committee – 80% overall adoption rate; Club officers - 92% adoption rate; monthly new member adoption rate 48%; Level completions – Level 1 – 352 members, Level 2 – 258 members, Level 3 – 160 members, Level 4 – 105 members, and Level 5 – 68 members. District 7 Director – PJ Kleffner, DTM (Addendum 1 – Page 67)

Pandemic proved to be a challenge. Many clubs are doing well on Zoom. Zoom skills are transferrable to the work and volunteer environment. Over 900 people submitted Pathways awards. Because Trio travel was restricted this year, monies were put into member incentives. So far this year, \$5,345 in Toastmasters gift certificates have been awarded. Advertising on social media has ramped up this year. Incentives are continuing until year end, and more gift certificates will be awarded. Clubs will soon need to decide whether to become hybrid clubs. The Trio is ready to point you towards resources for the equipment needed to have a hybrid club. There are District roles needing to be filled. Please contact us if interested in volunteering for a role.

- Division B - Crystal Clark
- Division C - Joanna Johnson
- Division D - Rudy Erbrich
- Division E - Paul Caloca
- Division F - Yuri Poudayel

Scope of Work

The committee was tasked with assessing each division and recommending changes to better serve clubs and area directors. Several factors were considered when recommending alignment changes. These included geographic proximity to other clubs, availability of an Area Director to effectively provide service, club size and strength, prospective clubs and expected growth, and the potential for eligibility in the Distinguished Club programs.

Key considerations:

- At least three Areas per Division
- No fewer than four clubs and no more than six per Area
- Geography
- Ability to participate in the Distinguished programs
- Possible growth and possible loss of clubs in those Areas and Divisions
- Changes anticipated by current District leaders
- Strategy focused on the benefits for all
- Low and ineligible clubs must be included

Amendment to D7 2021 Realignment Report

Background: Area 31 has seven Clubs, so the original realignment proposal adds Area 34 and three Clubs will move into that new Area.

At the D7 District Executive Committee Meeting on April 18, 2021, a motion was made, seconded and passed by unanimous vote to amend the Realignment Report as follows:

“Renumber the Areas in Division B to better group their clubs based on geographical locations. Specifically, all Clubs in the Eugene area will be in two adjacent Areas, Areas 31 and 32. Area 31 remains as is, Area 32 becomes Area 33, Area 33 becomes Area 34, and the new Area 34 becomes Area 32.”

The amended Realignment Report was approved by the District Executive Committee for referral to the full District Council at the Annual Business Meeting on May 15, 2021. The amended section of the report is attached.

The net result is:

Area 31 will consist of:

Yawn Patrol Club
Lunch Bunch Toastmasters
University of Oregon Club
North Eugene Toastmasters

Area 32 will consist of:

Siuslaw Tale Spinners
Gateway Toastmasters
Downtown Public Speakers

Area 33 will consist of:

Toast of Corvallis
NuScale Toasters
Lebanon Toastmasters
NWFSC Toastmasters

Area 34 will consist of:

Corvallis Evening Group

Mission Statement: Read by Club Growth Director, Lorri Anderson, DTM

Agenda: Adopted

Voting member roles identified by District Director PJ Kleffner, DTM. Proxies not allowed in virtual District Council meetings.

Credentials Chair, Past District Director Emilie Taylor report:

There are 276 eligible club presidents and vice presidents of education for members of the District Council and who are entitled to a vote. To achieve a quorum for this business meeting, 1/3 of those members or 92 must be represented according to Toastmasters International. In a virtual council meeting, a Quorum is calculated based on the number of registered voters. As of 5pm yesterday, Friday, September 18, 2020, we have 114 registered eligible voters, more than 1/3 needed for this meeting. Additionally, we have 29 registered members of the district executive committee who have votes but are not counted in the quorum. Mr. District Director, the quorum requirements for this meeting have been met. On behalf of the credentials committee, I move that the credentials report be accepted or adopted.

- Division B - Crystal Clark
- Division C - Joanna Johnson
- Division D - Rudy Erbrich
- Division E - Paul Caloca
- Division F - Yuri Poudayel

Scope of Work

The committee was tasked with assessing each division and recommending changes to better serve clubs and area directors. Several factors were considered when recommending alignment changes. These included geographic proximity to other clubs, availability of an Area Director to effectively provide service, club size and strength, prospective clubs and expected growth, and the potential for eligibility in the Distinguished Club programs.

Key considerations:

- At least three Areas per Division
- No fewer than four clubs and no more than six per Area
- Geography
- Ability to participate in the Distinguished programs
- Possible growth and possible loss of clubs in those Areas and Divisions
- Changes anticipated by current District leaders
- Strategy focused on the benefits for all
- Low and ineligible clubs must be included

Amendment to D7 2021 Realignment Report

Background: Area 31 has seven Clubs, so the original realignment proposal adds Area 34 and three Clubs will move into that new Area.

At the D7 District Executive Committee Meeting on April 18, 2021, a motion was made, seconded and passed by unanimous vote to amend the Realignment Report as follows:

“Renumber the Areas in Division B to better group their clubs based on geographical locations. Specifically, all Clubs in the Eugene area will be in two adjacent Areas, Areas 31 and 32. Area 31 remains as is, Area 32 becomes Area 33, Area 33 becomes Area 34, and the new Area 34 becomes Area 32.”

The amended Realignment Report was approved by the District Executive Committee for referral to the full District Council at the Annual Business Meeting on May 15, 2021. The amended section of the report is attached.

The net result is:

Area 31 will consist of:

Yawn Patrol Club
Lunch Bunch Toastmasters
University of Oregon Club
North Eugene Toastmasters

Area 32 will consist of:

Siuslaw Tale Spinners
Gateway Toastmasters

Area 33 will consist of:

NuScale Toasters
Lebanon Toastmasters
NWFSC Toastmasters

Area 34 will consist of:
