- Division B - Crystal Clark
- Division C - Allan Edinger

- Division E - Ted Takamura

Scope of Work

The committee was tasked with assessing each division and recommending changes to better serve clubs and area directors. Several factors were considered when recommending alignment changes. These included geographic proximity to other clubs, availability of an Area Director to effectively provide service, club size and strength, prospective clubs and expected growth, and the potential for eligibility in the Distinguished Club programs.

Key considerations:

- At least three Areas per Division
- No fewer than four clubs and no more than six per Area
- Geography
- Ability to participate in the Distinguished programs
- Possible growth and possible loss of clubs in those Areas and Divisions
- Changes anticipated by current District leaders
- Strategy focused on the benefits for all
- Low and ineligible clubs must be included

Meeting Dates (all held via zoom)

- February 23
- March 18
- April 4
- May 2

Recommendations

The committee's recommendations are divided into two reports. See attached.
