RE: **2025-2026 D7 SOP – Reimbursement for Mileage and Parking Fees**
DATE: July 26 2025

Effective July 1, 2025, below are the 2025-2026 guidelines for reimbursement of mileage and parking fees.

Eligibility. The District Executive Committee shall be eligible for reimbursement, subject to availability of district funds. Reimbursements must be submitted within 60 days of travel. The District Executive Committee consists of the District Director, Program Quality Director, Club Growth Director, Public Relations Manager, Administration Manager, Finance Manager, Immediate Past District Director, Division Directors, and Area Directors. The District Chief Judge may be reimbursed for approved travel expenses.

Eligible Distance Traveled. Reimbursement will be for qualified travel of at least 25 miles one-way, or 50 miles round trip, calculated using the most direct route. Basis will be MapQuest, Google Maps, or similar tools.

Standard Mileage Rate. District 7 standard mileage rate is set at **.14 cents per mile** driven while on qualified travel, for a trip totaling 50 miles round trip, or 25 miles one-way. This guideline is based on TI Policy 8.3.B (District Leader Expenses) that states, “Allowable travel expenses may include up to round-trip airfare or other public transportation (coach) *or mileage up to the current charitable standard mileage rate in effect for federal income tax purposes by the United States Internal Revenue Service*, and parking.”

Parking Reimbursement. Parking expenses for qualified travel may be reimbursed based on actual receipts.

Qualified Travel. Reimbursement shall only be made for travel that meets the minimum 25-mile one-way trip criterion (or 50 miles round-trip), benefits the district, and is consistent with the District Mission.
